Splendid Reproduction in Sixteen Tints of a Celebrated Painting.

Every person who sends One Dollar to pay for a year's subscription to the TWICE-A-WEEK REPUBLIC, of St. Louis, Mo., and FARM PROGRESS, will receive, ABSOLUTELY FREE a beautiful colored picture, 24 by 32 inches in dimensions, entitled "The Departure of the Bride from the Home of Washington." This picture is a direct reproduction from the celebrated painting by Ferris. Sixteen colors were employed in the process. It is made on a fine, heavy paper, and will make, when framed and hung, a magnificent ornament for the home. Aside from its genuine artistic merits, it possesses an uncommon interest to every American, as the central figure in it is George Washington, standing at the portal of his Virginia home, bidding adieu to the bride and bridegroom. The color work is highly ornate and correct in every detail as are the character representations, costumes, etc.

The TWICE-A-WEEK REPUBLIC is the oldest and best semi-weekly family paper in the country, and FARM PROGRESS, which is also published by The Republic, is the fastest-growing farm monthly in America. Remember that you get both of these splendid journals an entire year, and the beautiful big colored picture, all for only ONE DOLLAR.

Present subscribers may take advantage of this offer, by sending a dollar and having their time marked up a year. The Republic hereby gives notice that this offer may be withdrawn at any time, and those who wish the picture should send in subscriptions AT ONCE.

Remit by Post-Office or express money order, registered letter or bank draft. Do not send personal checks. Write names and addresses plainly, and address.

PREMIUM LIST

By the Citizens of the City of Versailles and Vicinity.

On Apples, Peaches and Pears, to be Given at the Versailles Street Fair.

The following is a list of the premiums offered on apples, peaches and pears. We expect to extend this list somewhat yet, we are trying to arrange for three or four premiums for the best exhibit, this will include quality and number of varieties and will include apples, pears, peaches and any other fruits grown on trees. We want to raise about \$25 for this premium and divide it into four prizes as follows: 1st \$10, 2d \$7.50 3rd \$5, and 4th \$2.50, and we should like the fruit growers and anyone else who would like to help out on this premium by subscribing say \$1 to this fund, this we believe will enable us to make the best exhibit that was ever seen in Morgan county and we don't think any better can be made any where and if we can get this exhibit just before the State Fair it would be wise to enter it there as a county exhibit. One dozen apples, peaches or pears of each variety is all that will be required for an entry but you had better bring about twice that number so as to have some fresh ones to take the place of bruised or decaying fruit so as to keep your exhibit looking well. Handle all your fruit as careful as you would eggs and be sure to bring it in boxes, never in sacks. Send or leave any amount you wish to subscribe for this exhibit to either of the banks at Versailles. Call on or write J. G. Briggs, or H. K. Enloe, Versailles, Mo., for further information concerning this department.

At Camp Kidwell.

Abb. Kidwell, Tom and Del Padgett, with their families, camped at the mouth of the Big Gravois on the river several days last week. Abb. acted as general manager, Tom was delegated to look after the stock and forage, Del was in charge of the engineering corps, while the women folks managed the cooking department. The fish concluded the jig was up, and they lined up at the edge of the water, hoisted a flag of truce and surrendered at once. Fish fries, watermelons, roasting ears and creek water were the main items on the printed bill of fare. The fish stories told by the men folks after getting home couldn't be digested.

MEN PAST SIXTY IN DANGER

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years, and after taking two bottles of Foley's Kidney Cure I feel better than for twenty years, although I am now 91 years old."
